

# Greg Richardson – DIRECTOR

[redundantrobot@gmail.com](mailto:redundantrobot@gmail.com)

I am a director of mostly 3D CG animated episodic programming for kids of all ages, and have worked with clients such as Peacock, Netflix, Mattel, Fisher Price, Marvel and Lego at animation studios across Canada. I have many years of experience as an Avid editor and am very engaged in the entire story process. I enjoy creative problem solving in all of its forms and find animation production to be an exciting challenge.
